...and new movie co-stars Carey, Sally and Charlotte too!

BLIMEY, it's not often you have such a line-up of tasty Brit talent in one movie, but *Never Let Me Go* has — and then some!

It features screen legend Charlotte Rampling and hornbags Keira Knightley, Carey Mulligan and Sally Hawkins — and here's a taste of the girls in all their glory.

Charlotte Rampling has given up the goodies throughout her long and distinguished career and as you can see from the shots (left) she was still game to bare her bush aged 56 in *Swimming Pool* and went topless at the age of 62 in *Deception!*

Keira Knightley hasn't been quite as daring but has showed her pert paps in movies such as *Dr Zhivago* and *Looking Over The Edge of Love*, which raised quite a few stiffies.

And Carey Mulligan wasn't shy about her getting her baps out in movies such as *The Greatest* as

you can see from the shots (right), although she is better known for her TV series such as *Pride & Prejudice* and *Bleak House*.

Then we have Sally Hawkins who has movies such as *All Or Nothing* and *Layer Cake* to her credit along with the TV series *Tipping the Velvet*.

Never Let Me Go is due in cinemas this month and is reported to feature sex scenes and nudity from Carey, Keira and Sally.

They play scientific specimens, created in a laboratory to provide organs for severely ill patients.

And speaking of organs, we wouldn't mind planting ours in these babes!

UPSKIRT

EXCLUSIVE

WHAT AN EIFFEL!

HORNY hotel heiress Paris Hilton gave bystanders a right EIFFEL when she got out of a limo on a night out.

In fact, the gorgeous 29-year-old American socialite's panties looked like they were being eaten by her GROWLER!

One bloke who was lucky enough to witness the upskirt flash said: "I got a right boner when I spotted Paris's panties disappearing up her chuff and wished that it was my knob going up there."

SISTERS ARE DOIN'

HEATHER Graham (main pic) in *Killing Me Softly* and her sister Aimee (below) in *Dance With The Devil*

LOTS of girls have followed their sisters into acting and some, like Rosanna and Patricia Arquette and Shannon and Tracy Tweed, have thrilled cinema audiences by getting their private parts out in the name of their art.

And to celebrate the fact, *Adult Sport* has come up with our pick of the best on-screen saucy sister acts. So grab yourself a nice cup of tea, put your feet up and enjoy these lovelies who have made their parents — and us blokes — very proud!

TIT-ILLATING: Mary Louise shows off her fine paps in these scenes from the hit TV series *Weeds*

BOOTYFUL: Mary looks hot as she shows her fine arse and fanny in these clips from her 2003 movie *Angels in America*

THESE horny shots of Mary Louise Parker are enough to make any red-blooded fella mess themselves.

And you'd better make sure you've got a good supply of tissues in 'cos the Yank hornbag stars in upcoming movie *Howl*, which promises to be pretty controversial.

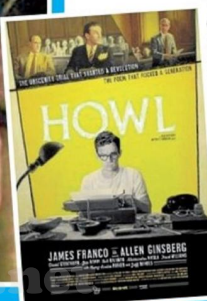

The film tells the tale of Alan Ginsberg's poem *Howl* and the events surrounding the 1957 obscenity trial over its explicit sexual content.

So you don't have to be a brain surgeon to realise that the movie will have nudity and shagging in it, and we're keeping our fingers crossed that Mary Louise will be baring the goodies again.

Speaking of goodies, just cast yer mincers at the top three pics, they're from the latest series of her Yank TV show *Weeds* which caused a ruckuss over the very realistic back scuttling scenes.

And we take our hats off to 46-year-old South Carolina-born Mary for showing us that she's still got a great body.

So, there should be plenty of fellas howling when the film's released next month.

MARY LOUISE PARKER

NICE BUSH STROKES!

NOW this bit of artwork is what we call a masterpiece!

Forget your Rembrandt, Picasso and Dali, Czech-born artist Jiri Boudnik has the right idea, painting naked ladies — in the flesh!

Apparently Jiri — who now lives in America — posed himself the question: "Where is my true home?" and after giving it some thought he finally realised: "The answer for me is Czech and of course we all come from the crack between a woman's legs."

"And this year's 90th anniversary of the creation of the Czech flag seemed an ideal moment to bring it all together, so that's what I did."

He now plans to paint the rest of the world's flags on women from each country to complete his project.

We'd like to suggest that next time Jiri thins his paint a little so we can see more of the lovely ladies' fannies!

WE'RE MAD FOR MENTALIST BABE AMANDA

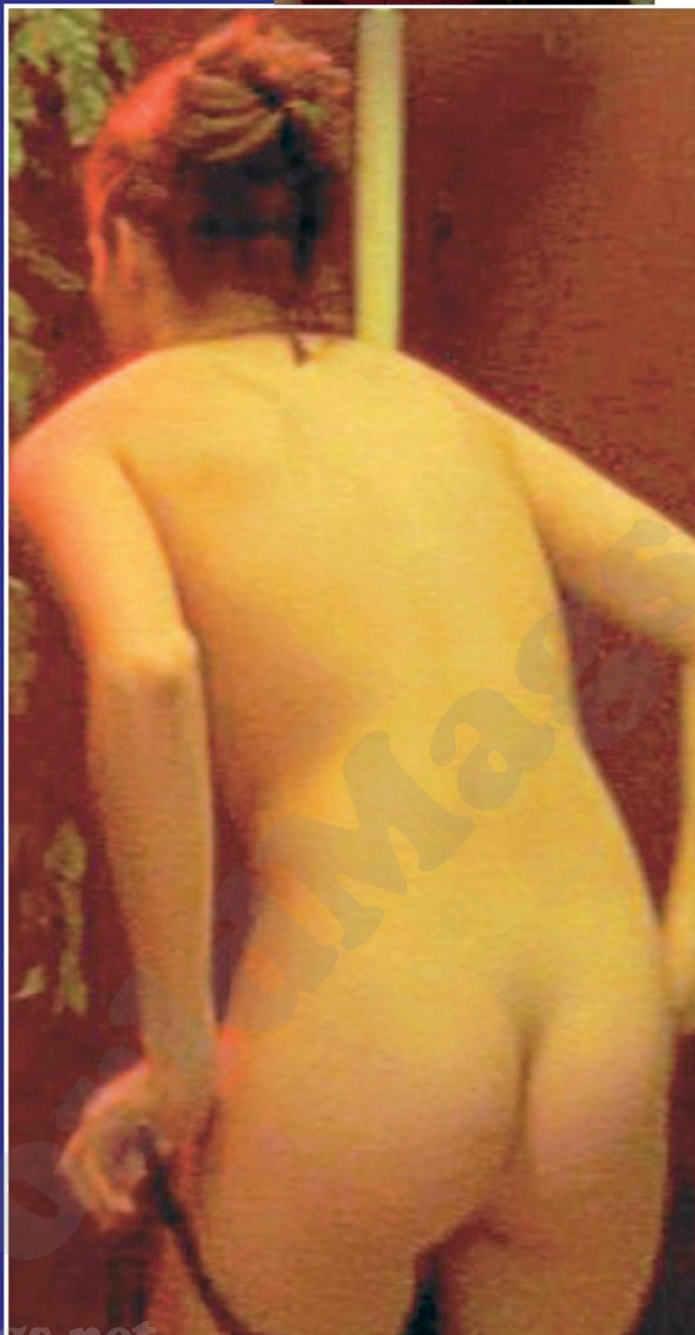

COP a load of Amanda Righetti from the hit TV series *The Mentalist* showing off her gorgeous curves in these scenes from her 2002 movie *Angel Blade*.

Now don't get your hopes up, you won't see shots like these in the Channel Five show of Amanda — who plays Special Agent Grace Van Pelt of the CBI (California Bureau of Investigation).

The 27-year-old Utah-born stunna has been in the show from its beginning in 2008 and has also appeared in other TV series such as *The O.C.*, *North Shore* and *Reunion*.

She has also done several other movies, including *Return to House on Haunted Hill* (2007), *Role Models* (2008) and *Friday the 13th* (2009).

Well from that line up, it seems the hornbag likes to have the willies put up her...ready when you are Amanda!

It's the FU

A FATHER and son were sitting down for a break in their soon-to-be opened new shop in Barnsley, after moving up north from London to start their new business.

As yet, the shop wasn't ready, with only a few shelves set up.

The father said to his son: "I bet any minute now some thick Yorkshireman is going to walk by, put his face to the window and ask what we're selling."

No sooner were the words out of his mouth when, sure enough, a curious Yorkshireman walked to the window, had a peek and, in a broad Yorkshire accent, asked: "What's tha selling here?"

The father replied sarcastically: "Arseholes."

Without skipping a beat, the Yorkshireman said: "Tha's doing alreet then. Tha's only got two left!"

HOW many men does it take to mop a floor?

None. It's a woman's job.

WHAT do you do if a woman comes out of the kitchen complaining?

HOW many sexists does it take to change a lightbulb?

None. Let the bitch cook in the dark!

A GUY was walking through a cemetery when he saw a bloke crouching behind a gravestone.

He said: "Morning, mate," and the fella replied: "No, I'm just having a shit!"

A YOUNG boy went up to his father and asked him: "Dad, what's the difference between potentially and realistically?"

The father pondered for a moment and then answered: "Go ask your mother if she would sleep with Robert Redford for a million quid and also ask your sister if she would sleep with Brad Pitt for a million quid. Then come back and tell me what you've learned."

So the boy went to his mother and asked: "Mum, would you sleep with Robert Redford for a million quid?"

The mother replied: "Definitely, I wouldn't pass an opportunity like that."

The boy then went to his older sister and asked: "Would you sleep with Brad Pitt for a million quid?"

The girl replied: "Oh gosh, I would just love to do that. I would be nuts to pass up that opportunity."

The boy then thought about it for a few days and went back to his father, who asked him: "Did you find the difference between potentially and realistically?"

The boy replied: "Yes, potentially we're sitting on two million quid, but realistically we're living with two slappers!"

The father replied: "That's my boy!"

THIS IS WRONG!

THIS IS HORNY!

A KID came home from school and said to his dad: "I heard some kids talking about a thing called a vagina. What is a vagina and what does it look like?"

"Well, son," the dad replied: "Before sex it looks like a beautiful, unopened rose."

"Wow, what does it look like after sex?" asked the kid.

"Well, son, ever seen a bull-dog eating mayonnaise?"

A GUY runs into an ex-girlfriend, with whom he didn't have the greatest relationship.

He said to her: "Do you know something? I was with another woman last night, but I was still thinking of you."

She replied: "Why? Is it because you still love me and miss me?"

"No," he said. "It's because it keeps me from coming too fast!"

TWO guys in a bar are discussing various sex positions. The first says his favourite is the "rodeo" and the other guy asks: "What's the rodeo position and how do you do it?"

The first says: "You tell your wife to get on the bed on all fours and then do it doggy-style. Once things start to get underway and she's really enjoying it, lean forward and whisper in her ear 'Your sister likes this position, too' and then try to hang on for eight seconds!"

HE'S TAKING THE PISS!

HOW'D YOU LIKE TO RIDE THIS SEXY BEAST, FELLAS?

If you don't, I fucking do!

A **BLOKE** is sitting in his car parked on a back road some distance from town with a woman he met earlier in a bar. They're doing what couples in cars on back roads usually do when, suddenly, the woman stops him in his tracks and says: "I really should have mentioned this earlier, but I'm actually a hooker and I charge £40 for sex." The guy reluctantly pays her and gives her a good fucking. After a cigarette, the fella is sat in the driver's seat looking out the window when the woman asks: "Why aren't we going anywhere?" "Well," says the man. "I should have mentioned this before, but I'm actually a taxi driver and the fare back to town is £45."

A **NEWLY-RECRUITED** French Legionnaire found himself stationed in a remote fort in the desert.

After a few weeks had gone by, he took one of the old timers aside and asked what the men did for a good time.

"We use a camel" was the reply.

Revolted, the young soldier turned his thoughts elsewhere, but as time went by and he got hornier and hornier, he could think of little else.

Taking aside another veteran soldier, he asked the same question and got the same answer: "We use the camel."

Finally, and feeling desperate, the young man accepted the fact that the camel was the only available outlet and one night he sneaked out to the barn.

As luck would have it, one of the old-timers wandered by and caught sight of the young soldier up on a crate, screwing the arse off a camel.

"What the fuck are you doing?" he called out.

Rather puzzled, the recruit said: "I thought you said you used the camel for a good time."

"Yes," he replied: "But usually we just ride him into town and pick up a girl."

What's the difference between a G-spot and a golf ball?

A man will actually search for a golf ball!

A **MOTHER** is in the kitchen when her youngest daughter walks in and says: "Mum, where do babies come from?"

Mum: "Well, dear, a mummy and daddy fall in love and get married. One night, they go into their room, they kiss and hug and have sex. (The daughter looks puzzled.) That means the daddy puts his penis in the mommy's vagina. That's how you get a baby."

Child: "Oh, I see, but the other night when I came into your room you had daddy's penis in your mouth. What do you get when you do that?"

Mum: "Jewellery, dear!"

ONCE upon a time, a guy asked a girl: "Will you marry me?"

The girl said: "no," and the guy lived happily ever after and went fishing and hunting and played golf a lot and drank beer with his mates and left the toilet seat up and farted whenever he wanted.

MINNIE in *The Governess* (right) and (left) *Mr Wroe's Virgin*

BARNEY'S STUBBLE!

ROSMUND in *Fugitive Pieces*

FEAST yer eyes on Minnie Driver's stubble, lads.

The gorgeous 40-year-old Londoner plays Mrs P in new movie *Barney's Version*, which is in cinemas on January 7. She showed off her fine fanny, tits and arese in the TV mini series *Mr Wroe's Virgin* in 1993 and *The Governess* in 1998..

One of her co-stars is raunchy fellow Londoner Rosamund Pike, who flashed a nipple in the 2007 flick *Fugitive Pieces*.

MINNIE in *The Governess*

HOW TO GET LAID IN 5 EASY STEPS

RIGHT, lads. The festivities are well and truly over and if you've managed to hang on to your girlfriend or wife after weeks of getting bladdered you're a lucky twat.

But don't fret if your other half ditched you when she caught you porking her best

friend or shitting in a plantpot at her parents' home on New Year's Eve because we've come up with a step-by-step guide to getting laid.

Just follow our simple instructions and you'll soon be emptying your bollocks in some babe's snatch.

De-clutter car

US lads are a scruffy lot and nothing proves this as much as our motors.

So do yourself a favour and

get rid of all those takeaway wrappers, beer cans, fag packets and used condoms before you go on the pull.

Hit the club late

SINK a few pints down the boozer and then try to hit the nightclubs at around 1am.

Have a quick scan to find

the girls who have obviously had a few too many — but not so bladdered as they are out of it — and get in there.

Scrub all yer bits

ONCE the car's all spruced up, it's time to concentrate on your body.

Either have a nice, long soak in the bath or jump in the shower but make sure you

concentrate on yet privates. Pull the old fore-skin back and give your bell-end a scrub and don't forget to give yer town halls a polish, too. You know it makes sense!

Chat-up lines

NOW you've got her attention, try out these chat-up lines:

"I wish I was your maths homework because I'd be hard and you'd be doing me on your desk."

"If I flip a coin, what do you reckon my chances are of getting a head?"

"Hi. I'm an astronaut and my next mission is to explore Uranus."

"Will you help me find my lost puppy? It ran into that cheap hotel across the street."

"Are you a farmer, 'cos you sure know how to raise a cock."

"Nice shoes. Wanna fuck?"

Home & wet!

LUCKILY, your chat-up lines will have worked a treat and in no time at all you'll be back at her place . . . or she'll be at yours.

Pour her a large glass of cheap wine but don't bother offering her anything to eat because, hopefully, she'll soon be chomping on your cock as you go through the foreplay routine before slipping her a portion of your meat!

NEW

BALLS PLEASE...

We've drained our first set after seeing these babes!

WE'VE all the head the cry of "new balls please" at tennis tournaments, but this set of horny babes having a knock-up in the nude brought on a frantic bout jizz splurging

The fantastic phwoar-some practiced some shots and strokes and the sight of their magnificent minges and tasty tits had fellas in the crowd trying out a few strokes of their own.

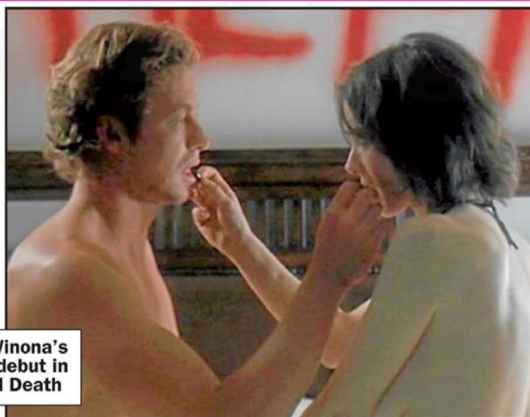

After the event in Miami Beach, Florida, all the equipment used was auctioned off to raise money for good causes.

And guess which item raised the most, yep, the net!

SEXY: Winona's topless debut in *Sex and Death*

JEN & WINONA GIVE US A BONER!

Babes of new movie **The Dilemma** NUDE

THERE'S nothing better than seeing a stunning babe getting her tits out, unless it's TWO of 'em doing it!

And here we've got the horny stars of new movie *The Dilemma*, Jennifer Connolly and Winona Ryder doing just that.

Now Jennifer's bared her boobs before in movies such as her 1990 film *Hot Spot* and *Inventing the Abbotts* in 1997 but Miss Ryder didn't get her chest puppies out until her 2007 movie *Sex and Death*.

The cute Miss Connolly even gave a glimpse of her bush in her 2000 film *Requiem For a Dream*, so now it's over to Winona to do the same.

Now we're in a dilemma wondering if the delightful duo will oblige in their upcoming comedy tale *The Dilemma*.

It's in cinemas this month, so here's hoping.

BOOBIFUL: Jennifer shows off her great rack in *Inventing The Abbotts* (above) and we see the reflection of her bush in *Requiem For A Dream* (below)

JUICY PAIR: Winona and Jennifer in new movie (above) and (below) Jen's norks in *Hot Spot*

CELEBRITY SNATCH

FIT: Lauren shows off her pert bum in *Dumb and Dumber* (far left) and here makes her topless debut in *Final Storm*

HERE'S a sight to get the old jizz bags rumbling fellas, luscious Lauren Holly showing off her cracking norks and beaver!

Now most actresses get their tits out BEFORE showing off their bush, but Lauren did things the other way round.

The Pennsylvania-born babe gave a flash of her hairy honeypot in the 2006 movie *Fatwa* (or should that be *Fatwat*?) and believe it or not, only got her tits out for the first time in this year's film *Final Storm*.

And as you can see her bum ain't too shabby either, as she proved in the still (top left) from

her 1994 film *Dumb and Dumber*.

But we take our hats off to Loz (as she likes us to call her) 'cos there's not many 47-year-old women out there with boobs as firm as hers.

She has over 35 films to her credit as well as hit TV shows like *Hill Street Blues*, *Chicago Hope* and *NCIS*.

And the one-time Mrs Jim Carrey has three movies in the pipeline in *You're So Cupid*, *Scream of the Banshee* and *The Juggler*.

And speaking of juggling, we wouldn't mind juggling her magnificent top rack!

WONDERFUL: We get a great view of Lauren's curves (left) and as a bonus, a glimpse of her bush (below) in *Fatwa* as her panties are pulled aside

...not to mention

WHEN it comes to mega-boobed beauties, Veronika Zemanova takes some beating.

The 34DD Czech babe — who now lives in London — has been enjoying a spot of time off from modelling and just chilling. But now the cracking 26-year-old babe is back — and she's looking better and BUSTIER than ever.

Gorgeous Veronika possesses one of the most mouth-watering sets of mammaries in the glamour industry.

And after taking a break from modelling, she couldn't wait to get back down to business and peeled off in this sizzling

SOME TITS, NIKA!

her cute beaver

shoot for *Adult Sport* readers.

Voluptuous Veronika got back to nature when she stripped off her purple thong-come swimsuit for the alfresco picture session on a recent trip to Tenerife.

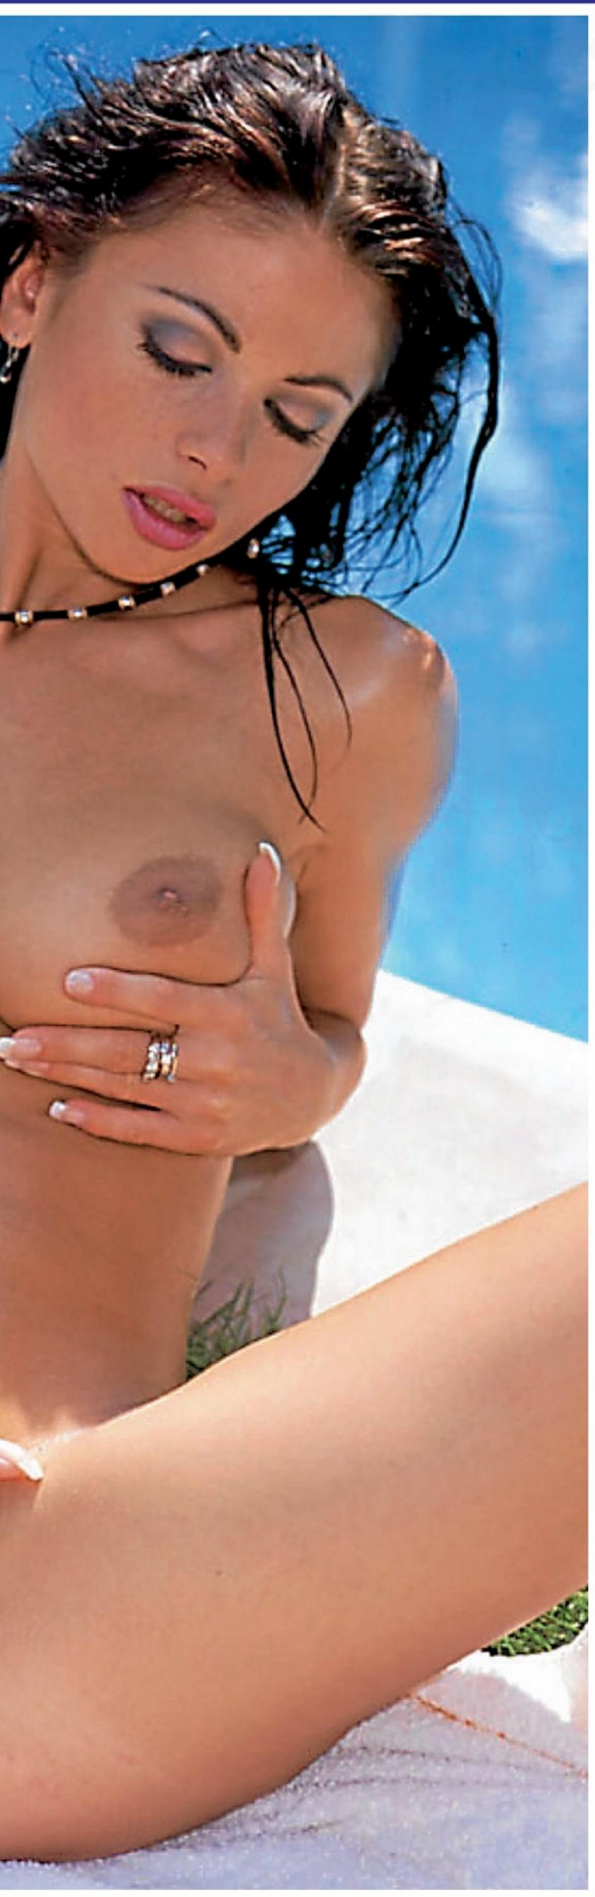

She said: "I love the feeling of getting **NAKED** outdoors — it feels very sexy. The sensation of the breeze around my bits when I'm naked really gets me going.

"I'm really pleased with the pictures and hope your readers like them too."

Like 'em? We've wanked ourselves silly over them!

CELEBRITY SNATCH

Breaking and Entering 2006

FABULOUS French actress Juliette Binoche has what we here at *Adult Sport* refer to as a "proper 70s-style fanny".

In other words, her quim looks like an explosion in a mattress factory!

And the 46-year-old hornbag, who was born in Paris, showed it off to perfection in her 2007 movie *Disengagement* (right).

And now that stills from the

movie have been released in glorious high definition, we took it upon ourselves to put together this little collection of clips from some of juicy Juliette's other movies where she showed off her fine figure.

So grab hold of a couple of mansize tissues and savour the delights of one of France's finest exports — you know it makes sense!

CLIT LICKING LADY LURVE!

FUCKIN' hell, the sight of these two horny babes getting down and dirty is enough to make any fella wish he was a lesbo!

And our snappa came over with an attack of the vapours after watching the babes let their emotions run wild in an

orgy of fanny fingering and clit licking.

"I've been doing this job for quite a while now but it's never affected me before," he said.

"But when the girls got into their stride they seemed to forget I was there and really got

into it.

"I'm embarrassed to admit that I lost my mess in no time and even now when I think about the shoot I have to sneak off to have a quick one off the wrist."

Well he won't be on his own after seeing these pics!

CELEBRITY SNATCH

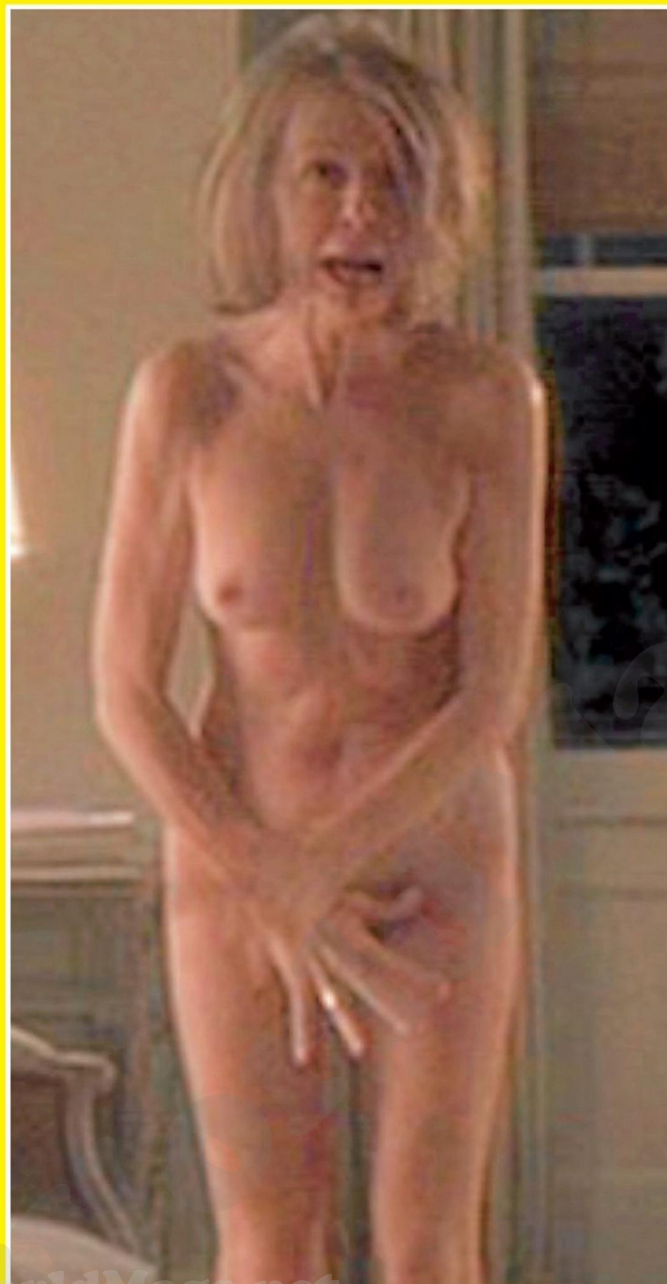

MOVIE icon Diane Keaton gets more gorgeous with age, or so it seems.

The 64-year-old beauty plays a daytime telly host in her new movie *Morning Glory*, out this month, in which she's teamed up with Harrison Ford (*above*).

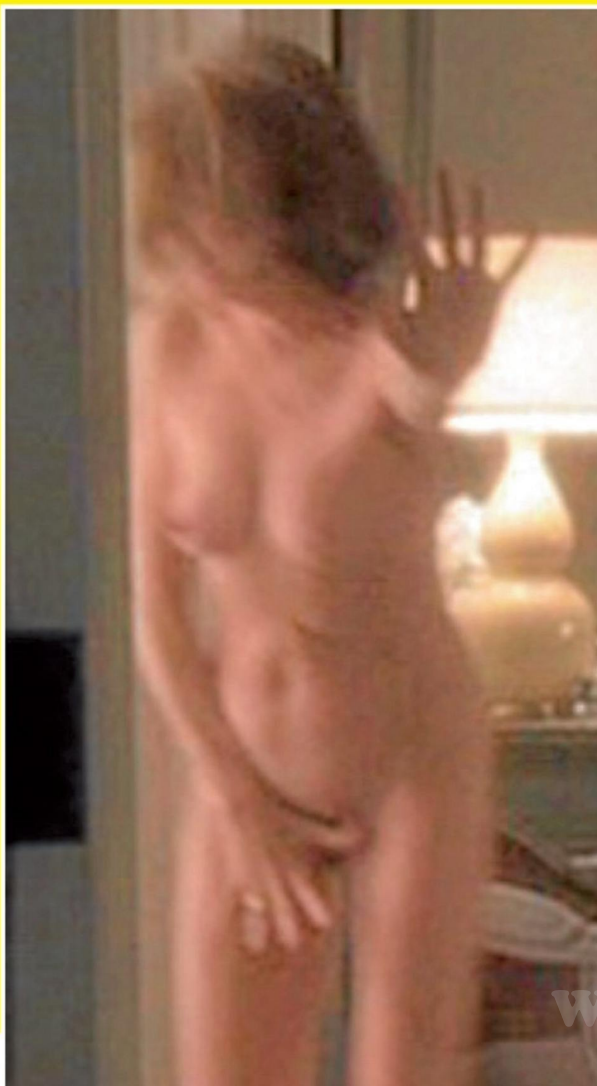

And she showed how well she's kept her body in shape only a few years ago in 2003

flick *Something's Got To Give*. She treated fans to an every-so-brief glimpse of her in full frontal magnificence and we've got the pictures (*below and right*) just in case you blinked and missed it.

Those breasts seem just as tasty as they were back in 1977 when we first got a look at Diane going topless in *Looking For Mr Goodbar*.

girl?

Can you guess who the rude celebrity is?

HERE'S something you won't see down in Albert Square or in Weatherfield . . . one of the stars getting it up the wrong 'un and loving it!

But that's what happens in this sensational footage of a former soap star that has been circulating in showbiz circles for the last couple of weeks.

It shows the blonde babe — a household name, in her prime, — having sex with her fella and begging him to do her up the dirt-box!

It's clearly a favourite and well-practiced position as she takes him easily and without a whimper then rides him hard and fast.

As she approaches her climax she is heard screaming out in ecstasy and begging him to fill her back entry.

The footage, thought to have been filmed while she was going out with an editor in the TV industry, also shows her giving oral and enjoying traditional sex in her shaven punani.

Our lawyers say we can't name her but we can run this vid and let you see for yourself.

You'll be amazed when you watch it and see who it is!

CELEBRITY SNATCH

FEAST your eyes on gorgeous Moran Atias . . . because we reckon you'll be seeing a lot more of her!

To be fair, bodywise, not much more than she displayed in Italian horrormeister Dario Argento's *Mother Of Tears* in 2007. But the Israeli-born beauty is heading for the Hollywood big time. She plays the sister-in-law of Russell Crowe's character in new flick *The Next Three Days*, out now, and we bet her sultry good looks and terrific curves will be landing her more parts.

Moran was an international model at the age of 17 before branching out into television and film. She even hosted the Israeli version of *Deal Or No Deal*. Move over, Noel Edmonds!

HERE'S *Buffy the Vampire Slayer* creator Joss Whedon's latest find. . . in the BUFF!

Curvy Canadian actress and model Chelah Horsdal pops up in Whedon's horror movie *The Cabin in the Woods*, in cinemas this month.

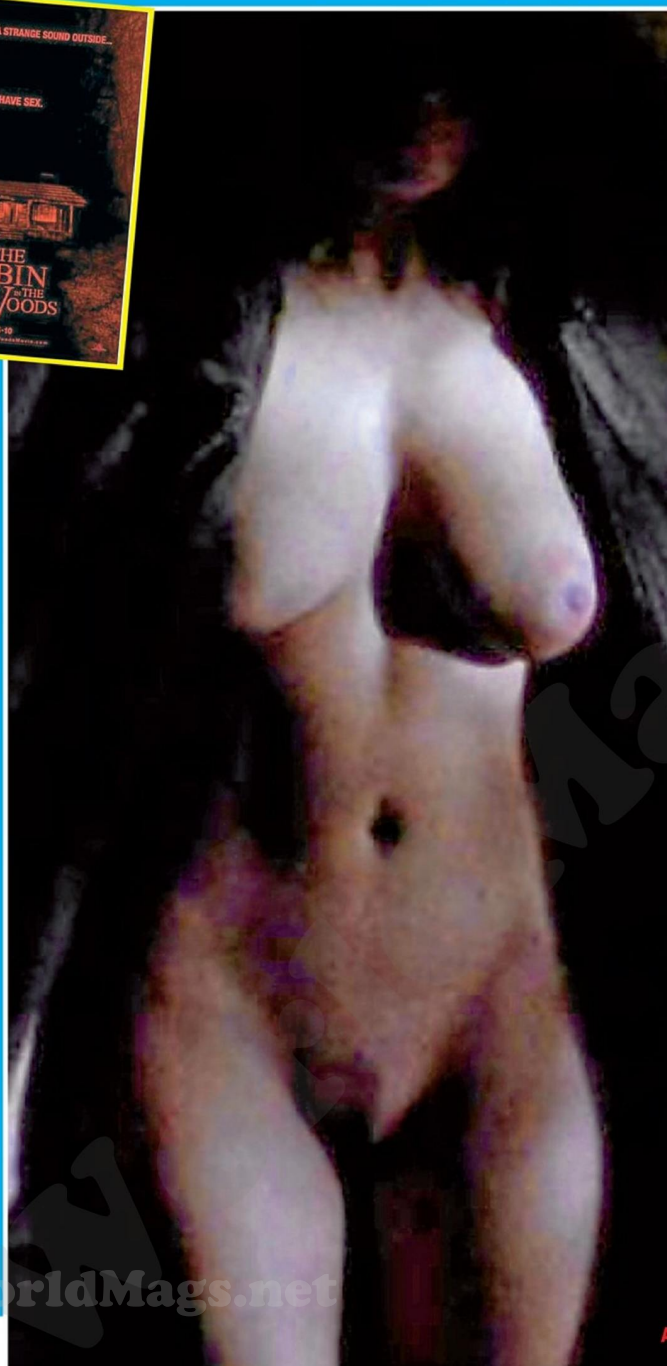

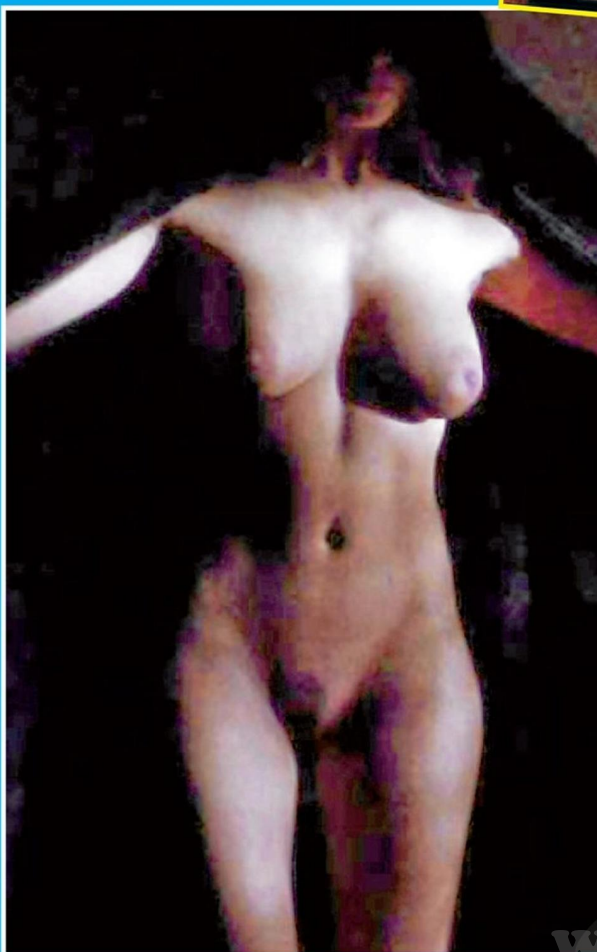

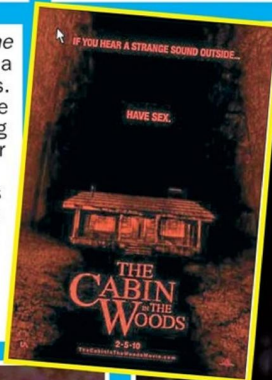

And 37-year-old Chelah certainly popped OUT as a Satanic temptress in 2005 TV flick *H.P. Love-*

craft's Dreams in the Witch House, part of a *Masters of Horror* series.

We can't guarantee that she'll be displaying this much flesh in her latest offering.

But the movie does have the tagline: "If you hear a strange sound outside . . . HAVE SEX!"

Given Chelah's past credentials, then, we are living in hope!

QUEENS

Now Helena's a sexy monarch!

SOME of Britain's sexiest actresses have played a Royal at some time in their career . . . and the latest is screen hornbag Helena Bonham Carter.

She portrays a young Queen Mum in new movie *The King's Speech*, in cinemas now (pictured right).

It's the story of King George VI and the then Queen Elizabeth (Bonham Carter) and his battle to overcome his stutter when ascending to the throne after his brother, Edward, abdicated.

Helena, 44, is noted for much raunchier parts, including *The Wings Of A Dove* in 1997 (far right) and *The Heart Of Me* (below).

We've delved into our movie archives to bring you a host of other stars who've played monarchs past and present and have not been afraid to show off their own crown jewels in the past.

THE HITMAN AND HER!

THE MECHANIC

★★★★★

ARTHUR Bishop (Jason Statham, *above, left*) is a "mechanic" — an elite assassin with a strict code and unique talent for eliminating targets.

It's a job that requires professional perfection and total detachment and Bishop is the best in the business.

But when his mentor and close friend Harry (Donald Sutherland) is murdered, Bishop is anything but

detached and his next assignment is self-imposed — he wants those responsible dead.

His mission grows complicated when Harry's son Steve (Ben Foster) approaches him with the same vengeful goal and a determination to learn Bishop's trade.

Bishop has always acted alone but he can't turn his back on Harry's son so the methodical

hitman takes the impulsive student deep into his world and a deadly partnership is born. But while in pursuit of their ultimate mark, deceptions threaten to surface and those hired to fix problems become problems themselves.

Gorgeous Mini Anden plays the eye-candy who looks awesome in panties (*above, right*) and it's in cinemas on January 28.

THE NEXT THREE DAYS

★★★★★

LIFE seems perfect for John Brennan (Russell Crowe) until his wife, Lara (Elizabeth Banks), is arrested for a murder she says she didn't commit in this film out Jan 7.

Three years into her sentence, her appeal is denied and Lara becomes suicidal so John decides there is only one possible solution — to break her out of jail! He then devises an elaborate escape plot and plunges into a dangerous and unfamiliar world, ultimately risking everything for the woman he loves.

THE KING'S SPEECH

★★★★★

AFTER the death of his father King George V and the abdication of King Edward VIII, Bertie (Colin Firth) — who's suffered from a debilitating speech impediment all his life — is suddenly crowned King George VI of England in this movie that's out on January 7. With his country on the brink of war and in desperate need of a leader, his wife Elizabeth (Helena Bonham Carter), arranges for him to see a speech therapist to cure his stammer. Timothy Spall is ace as Winston Churchill.

THE CABIN IN THE WOODS

★★★

THE storyline for this ace movie provides a new twist on a classic scenario — in this case the young-people-stranded-in-the-woods horror.

Basically, it's the story of a group of college kids who spend a weekend at a cabin in the woods.

Richard Jenkins and Bradley Whitford play a couple of white-collar co-workers with a mysterious connection to the cabin and though I doubt if you will shit yourself, you will jump a couple of times!

LEMMY ROCKS!

LEMMY ★★★★★

MOTORHEAD singer and bass player Lemmy is the epitome of rock 'n' roll and, over the past three and a half decades, no other artist has had such an impact on heavy metal music.

And, even though he celebrated his SIXTY FIFTH birthday on Christmas Eve, he is still rocking harder than ever.

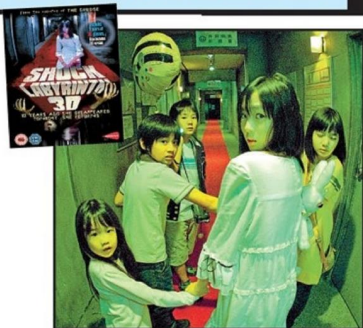

Now you can find out what it is

that made this musician a cultural icon recognised and respected far beyond the confines of rock music in **Lemmy — 49% motherfucker, 51% son of a bitch** a terrific DVD and Blu-ray by Entertainment One which is released on January 24.

Shot over the course of three years by Greg Olliver and Wes Orshoski, it takes you into Lemmy's world like never before — at his Hol-

lywood home crammed with memorabilia, in the studio, recording and rehearsing with Motorhead and in collaboration with some of rock's biggest names and, of course, on stage giving hundreds of thousands of fans just what they want!

I have FIVE copies of this DVD to give away, courtesy of Entertainment One. For YOUR chance to win one, see the panel below.

SHOCK LABYRINTH ★★★★★

THIS is the spooky and mysterious new offering from Japanese master of horror Takashi Shimizu — and the January 31 Chelsea Films DVD features 2D and 3D versions.

It's about young friends at a theme park near the foot of Mount Fuji who go into the haunted house attraction after hours and one mysteriously disappears — only to return 10 years later, with terrifying results! Chelsea Films have given me FIVE copies. See below for how you could win one.

AMER ★★★★★

THIS brilliant movie, which is released on DVD by Anchor Bay Entertainment on January 31, tells the story of a girl called Ana from childhood through adolescence to womanhood.

For Ana, in all three stages of her life fear, sensuality and the threat of violence are constant companions, each lurking in her mind's eye and waiting to take physical form. Anchor Bay have given me FIVE copies of this, too. See below for how you can win one.

K-20: LEGEND OF THE BLACK MASK ★★★★★

THIS awesome film is a cool, light-hearted, caper-packed blockbuster with exceptional stunt work, thrilling set pieces and impressive action sequences (including some amazing free running that will keep you entertained from the beginning right up until the end. It's out on DVD and Blu-ray on January 10 — courtesy of Manga Entertainment — and they have been kind enough to give me FIVE DVD copies. See the panel below for how to win one.

CIRCLE OF PAIN ★★★★★

PART *Rocky* for cage fighting fans and part *Karate Kid* for those who remember it, this action-packed fight flick brings together the old and the new of mixed martial arts in an explosive and redemptive tale of one fighter's reluctant comeback to the gladiatorial ring.

Among its many stars is Kimbo Slice (check him out on YouTube). It's out on DVD and Blu-ray on January 24 courtesy of Chelsea Films, who have given me FIVE DVD copies. See below for how to win one.

FOR A CHANCE TO WIN ANY OF THESE DVD AND BLU-RAY RELEASES EMAIL YOUR NAME AND ADDRESS TO: adultcomps@sportnewspapers.co.uk STATING WHICH ITEM YOU WOULD LIKE. (18S AND OVER ONLY)

NOW SEE TASTY TERA'S TWAT IN 3-D!

HERE'S some great news to warm you up during this cold winter — tasty Tera Patrick is bringing out a new porn movie . . . and it's in 3-D!

The 34-year-old blue movie legend, who was born in Montana in the good old US of A, has millions of fans who just love to see her getting a good seeing-to.

And if you're lucky enough to have one of those new-fangled 3-D television sets, you will soon be able to see it going in as if you were right there in the bedroom with her!

A porn movie insider told *Adult Sport*: "3-D is definitely the next big thing and everyone is rushing to bring out movies in the format — including Tera.

"She is really excited about her fans seeing her in glorious 3-D and we're sure they will be just as thrilled!"
